## Review and Approval of Previous Minutes

The minutes from the previous meeting were reviewed and approved. The minutes are available on the GIS home webpage.

## Status of Projects Tasks

### Projects in Progress

#### Sub Review- Committee

#### Parcel Maintenance

Philip B reported maintenance as usual for parcel edits

## **Water and Sewer Utility Conversion**

Laura H reported the sewer editing staff is now working more in the rural areas, and new construction areas and these edits take a bit longer due to not having cad line work in those areas to use as an overlay. Water side of edits stayed the same.

## **City Storm Water Project**

Laura H. commented they are continuing to enter their data into the model.

## **County Storm Water Project**

Laura H commented the County Engineers Office has begun a new project, we have installed the ArcGIS software, and they have begun to enter their storm data, as well as bridge data.

## **Street Addressing**

Laura H. commented: we added the University Parkway from Lloyd expressway to Upper Mt. Vernon. New subdivision Creekside Meadow which includes, Burlingame Dr, Aberdeen Ct, Prairie Dr, Double Tree Ct. Also about seven minor range edits.

## **Arc IMS Websites**

Laura H reported the County Engineers office has a new intranet site to highlight their bridge inventory.

## **GPS**

Laura H repeated last month's statement from the surveyor's office.

## **2005 State Color Ortho Photography**

Laura H reported we had received an email showing the areas that need to be "worked up", throughout the state, we are not the only county that has not received their photos. For more information we can check their website at:

## City View Projects

Dave Bottomley reports

**Animal Control:** Completed: In support mode, maybe three calls a week

**Code Enforcement:** Completed: In support mode

**Permitting:** In test phase: Dave B reported Laura is continuing to update the Building commissions records to fit inside the model. The next project is creating a Contractor License module.

**Citizen Complaint:** In data collection phase.

**Zoning & Licensing:** next month.

## Other Business

Philip B. reported Building commission and Area plan are working together to map all the manufactured home parks, using the Assessor data to create a point layer.
