Vanderburgh County GIS Technical Committee Meeting Minutes from Nov 17, 2004

Meeting Participants

The meeting convened at 9:15 a.m. on Nov 17, 2004 in room 100 of the Civic Center. Those in attendance included the following:

Linda Freeman
Rodney Steele
Laura Lamb

Greg Grabner
Laura Howell
Rob Brown

Review and Approval of Previous Minutes

The minutes from the previous meeting were reviewed and approved.

Subcommittee Reports

Plat Maintenance

No comment available on project from Assessors. Laura L. reported Area Plan Commission has a new hire to begin training on parcel edits.

Status of Projects Tasks

Projects in Progress

Water and Sewer Utility

Laura H. reported they are continuing to reposition features. Laura reported there are 40 of the 500 quarter sections that have been edited on the water side, and 27 of the 300 quarter sections for the sewer side. Rodney reported he and Rick are mostly working on the sewer features.

Addressing and Corrections

Laura H. reported normal maintenance edits are being performed. Laura H asked about removing the unused coverage fields, Laura L suggested to discuss prior with Jon Ansboro.

Zoning

Laura H. reported normal maintenance. Kathy Holley is now the editor.

Hydrology/ Floodplain

Rob B. has reported normal maintenance. Rob and Scott are continuing to work on the Studies Layer. Laura reported Steve F. has acquired a well water database, and they are reviewing that data for accuracy.

Arc IMS Websites

Laura H. reported Katie Roy is continuing to populate the Sex offender database, before it is released to the public.

Surficial Geology Layer

Rob B. reported no changes. He is continuing work on the LPI layer

GPS

Linda F. reported the GPS base station is installed on the roof top, now Industrial Contractors must install the wiring. Doug McDonald is leaving the Surveyors office, we wish him good luck.

Pictometry Aerial Photos

Laura H reported we are waiting on the funds to be re-appropriated. Laura H. reported Matt has signed a non-binding agreement, to schedule fall flight times. Linda F. reported that Sherman Greer may have information about the funding.

Permitting, Coding, and Zoning Software

Laura H reported we have received about eight proposals back from the RFP. The permitting committee has short listed these to four vendors. In early December, the committee will review each solution, in a live demonstration of the software.

Map Printing Policy

Laura H. reported, the enterprise has questions on how much to charge for printed maps. Please send all suggestions to marvay@evansvillegis.com. Linda F asked about printing plots from the web pages, Greg will look into custom coding.

METS Routing System

Laura H. reported she added two new layers, one of bus stops, and the other of all the bus signs along the route. This is an internal site, for use by METS, possible at a later point to go public with this web site.

Other Business

GIS User Group will be Nov 30, 2004 at Paducah KY. Presented by ESRI, please register for this event. Topic: Leveraging your spatial holdings using ArcGIS

Linda F asked about school redistricting, Laura reported she has contacted Bruce Geske of the School corp., offering our GIS services.

Laura reported the School Bus Transportation staff is interested in routing and using the ArcGIS software. They are planning to purchase an ArcView license. The GIS department is researching for other routing solutions for the enterprise.

Next Meeting

The next Evansville/Vanderburgh County GIS Technical Meeting is scheduled for Dec 15, 2004, at 9:15 a.m. Civic Center, Room 100 of the Civic Center, 1 NW Martin Luther King Jr. BLVD.
